

Video: Simple Summary of Global Warming Issue as reviewed by the I.P.C.C.

{youtube}DQG_s3K3p5g{/youtube} The argument against the content shown in this video: They're trying to tell us that "Molecular nuclear fusion turns water into power": With no CO2 or toxic death! Beware because: Some argue that the IPCC act as a PR unit for nuclear power - so they're the agents of death! Such rubbish pretending to be science: And PR men pretending to be scientists.
